*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable and the price of factory fitted options will need to be recalculated excluding LCT. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2016, model year 2016, and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer.

- Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.
- Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Reg. (EU) 1230/2012. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
- Features 255/30 R19 tyres at front and 235/35 R19 tyres at rear.
- In conjunction with assistance package or adaptive cruise control, the quattro® lettering is removed.
- Features 235/35 R19 tyres at front and 235/35 R19 tyres at rear.
- RS sport front seats have manual seat adjustment and are not available with electric seat adjustment.
- Please note Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.
- Digital radio reception coverage dependent on vehicle location.
- MMI navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, vehicle support and speed limit display based on navigation data function, voice control destination entered as whole words or in one statement and Audi connect services are not available in Australian vehicles. Please refer to your Audi dealer for up-to-date information.
- Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

Please refer to the corresponding RS 3 brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an overseas RS 3 Sportback with additional options of metallic effect paint, roof rails in matt aluminium finish and 19" alloy wheels in 5-arm rotor design, matt titanium finish.
